

## **AFI KLM E&M expands A220 component support to Bulgaria Air**

### **Elevating A220 component support: AFI KLM E&M and Bulgaria Air collaborate for operational excellence**

**Paris, Amstelveen, Sofia 25<sup>th</sup> of June 2024** – Air France Industries KLM Engineering & Maintenance announced the expansion of its A220 component support to Bulgaria Air. This strategic partnership aims to enhance operational efficiency and ensure optimal service for Bulgaria Air’s A220 fleet.

As a renowned provider of comprehensive aviation solutions, AFI KLM E&M is committed to delivering high-quality services tailored specifically to the A220 aircraft. Through this partnership, Bulgaria Air will benefit from a wide range of component support solutions designed to optimize aircraft availability and reduce maintenance costs. The component support includes the provision of OEM parts, on-site technical services, component repairs, and access to an extensive inventory of spare parts.

“Bulgaria Air is delighted to partner with AFI KLM E&M to enhance our A220 component support capabilities. With this extended collaboration, we can further enhance the reliability and comfort of our flights, providing a seamless travel experience for our valued customers.”, **said Georgi Georgiev, COO & Accountable Manager of Bulgaria Air.**

**Marcel Kuijn, VP Sales Europe & Key Accounts at Air France Industries KLM Engineering & Maintenance**, expressed his enthusiasm: “We are proud to be selected as Bulgaria Air’s partner for A220 component support. Our broad experience and global presence allow us to provide the highest level of support and ensure that Bulgaria Air’s A220 fleet remains at the forefront of operational excellence.”

#### **About Bulgaria Air**

Bulgaria Air is the national flag carrier of Bulgaria, offering scheduled and charter flights to destinations across Europe. With a modern fleet including Airbus A220, A320, A319, and Embraer E190, the airline prioritizes customer satisfaction, safety, and operational excellence to provide a seamless travel experience for its passengers.
